## GET YOUR KICKS ON ROUTE 66 – 2012 CLIPSAL 500 ADELAIDE STYLE

Nostalgia galore is the theme of Route 66 at the 2012 Clipsal 500 Adelaide and if you haven't had the opportunity to take the drive from "Chicago to LA" this is the very best next thing.

The golden era of street rods, speedway cars, cruisin' cars, muscle cars, chopper bikes, and rock 'n roll music that made Route 66 famous is all at this year's event.

Chrome, tail fins, big V8's, custom bikes, and dirt track machines are the stars and there is even a "T-Bird Bar" for those with a thirst and a need for a close-up look at a fantastic Ford Thunderbird convertible.

Among the cars on display will be Corvette, Mustang, Buick, Pontiac, Cobra, Ford Galaxy, Oldsmobile, Ford Edsel, Chrysler Royal, Chrysler Imperial, Cadillac, Studebaker, plus of course Hot Rods, and examples of the uniquely different new craze of Rat Rods.

Many of the speedway cars on display come from the 'golden era' of Rowley Park and include famous machines that have won national and state titles.

The Adelaide Rock 'n Roll Club dancers will be providing the 'music and the moves' as car enthusiasts and newcomers to the scene indulge themselves in 'chrome and tail fin' heaven.

Route 66 will also be the home for the Coca-Cola memorabilia collection - a cool collection that will give fans a glimpse of more than 120 years of the Coca-Cola Company and its bottlers who have issued a phenomenal amount of colourful, fanciful and beautiful advertising and promotional items that captured the cultural spirit and artistic trends of their times

The 2012 Clipsal 500 Adelaide will be held from March 1-4.
